# AVAILABLE NOW!

THE VA INSIGHT PORTAL™ IS A WEB-BASED PLATFORM FOR FIELD OPERATORS AND INVESTIGATORS THAT STREAMLINES DATA COLLECTION AND PROVIDES TACTICAL VISUALIZATION.

## VA INSIGHT PORTAL™ VERSION 2

## RELEASE HIGHLIGHTS

- **Insight Search:** Search and gather information efficiently with Insight Search, powered by Elasticsearch engine.
- **Enhanced Form Features:** Streamline data collection process across multiple entities with Composite Form and impose restrictions to sensitive data fields through Default Form.
- **Built-in User Administration Portal:** Built-in user administration to better manage permission and personalization settings
